MSRA CODE OF ETHICS

The MSRA launched its **Code of Ethics** in July 2015, with a goal of establishing common and acceptable standards of practice and behaviour in the industry. The launch added to the journey towards creating an environment conducive to producing quality research produced with a high level of integrity.. [READ MORE](#)

VIEWS ON TRUMP Poll among urban Kenyans

The majority of urban Kenyans (92%) are aware that Donald Trump has succeeded Barack Obama as president of the United States. First reactions to Trump's presidency are mixed, but far from the negative response we have seen in other parts of the world. [READ MORE](#)
